EDUCATION

BSCS
Virtual University

02/2022 - Present

ICS
City College Of Science And Commerce, Multan

2015 - 2017

SKILLS

HTML/CSS/Bootstrap | JavaScript | PHP | Ajax | API Integration | PSD/Figma to HTML or WordPress | MySQL | WordPress Custom Theme Development | WordPress Custom Plugin Development

PERSONAL PROJECTS

Instant Emoji Reactions – WordPress Plugin (https://wordpress.org/plugins/instant-emoji-reactions/)

- Developed a WordPress plugin that adds emoji reactions to posts and custom post types, enabling user engagement for both guests and logged-in users.
- Stores reactions per post, providing interaction metrics and enhancing feedback on blogs, forums, and community-driven websites.

Temp Fence – temporaryfencellc.com

- Built a custom WordPress theme with geolocation-based redirection and dynamic content management for a fencing service company.

PLR – parkinglotrepairnm.com

- Developed a custom WordPress theme tailored for a pavement maintenance and repair service provider.

MGchen3 – mgchen3.com.hk

- Built a custom e-commerce site with membership perks, including level-based discounts, body measurement storage, and in-store credits—all without third-party plugins.

Also developed taxsavvyconsultant.com, iconicwrist.com, and gmpanhwarinstitute.org.

Social Networking Platform Prototype

- Developed a responsive social platform with user authentication, messaging, posts, comments, and friend requests using HTML, CSS, Bootstrap, JavaScript, PHP, and MySQL.

CERTIFICATES

Fundamentals of Web Development (03/2018 - 06/2018)
